Re: Referral of Administrative Correspondence

Dear Ms. McWhorter:

On September 18, 2014, the U.S. Environmental Protection Agency (EPA), External Civil Rights Compliance Office (ECRCO), formerly known as the Office of Civil Rights (OCR), received a complaint from (b)(6) Privacy, (b)(7)(C) Enf. Privacy, on behalf of West End Revitalization Association (WERA). The complaint, which also was addressed to the U.S. Department of Transportation, alleges that the North Carolina Department of Transportation (NCDOT) has not taken preventive measures regarding the spread of "arsenic and lead contaminants throughout an 85% low-income African American community," and that this violates Title VI of the Civil Rights Act of 1964 (as amended, 42 U.S.C. 2000d et seq., and the EPA's nondiscrimination regulation found at 40 C.F.R. Part 7.) As NCDOT is not a recipient of, or applicant for, EPA financial assistance, ECRCO lacks jurisdiction over this matter and has closed this complaint as of the date of this letter.

Based on telephone conversations between Samuel Peterson, ECRCO Case Manager, and Kevin Ressler, National Title VI Coordinator for the U.S. Department of Transportation Federal Highway Administration (FHWA), it is ECRCO's understanding that FHWA may have jurisdiction over the matters alleged in the complaint. Accordingly, we are referring this matter to your office for appropriate action. A copy of ECRCO's Closure Letter to (b)(6) Privacy, (b)(7)(C) Enf. Privacy and a copy of his original complaint are enclosed. We have notified (b)(6) Privacy, (b)(7)(C) Enf. Privacy that his complaint has been forwarded to FHWA for appropriate action and have provided him your contact information.

If you have any questions regarding this letter, please contact Samuel Peterson at (202) 564-5393, peterson.samuel@EPA.gov, or by mail at the U.S. EPA External Civil Rights Compliance Office (MC 2310A), 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460-1000.

Sincerely,

Lilian S. Dorka, Director
External Civil Rights Compliance Office
EPA Office of General Counsel
